SECTION 25

BUSINESS DISTRICT COMMERCIAL (BDC) ZONE

25.1 GENERAL PURPOSE OF THE BDC ZONE

This Zone provides for and regulates a mix of retail, facility, office and residential uses located along pedestrian-oriented business districts in older parts of the City and in hamlets or small business areas in rural areas. The uses in this zone, which are intended to provide for the shopping needs of nearby residents, and cater to certain specialty shopping needs, have been differentiated on the basis of their function, intensity and potential impacts. (Z-1-051390)

The BDC Zone variation provides for a wide range of compatible office, retail, facility and residential uses which are appropriate in all Business District Commercial Zone variations. In addition to the uses provided for under BDC an expanded range of uses may be permitted at appropriate locations through the use of other zone variations.
